

MINISTRY OF HEALTH

STATE DEPARTMENT FOR MEDICAL SERVICES

REPUBLIC OF KENYA

VACANT POSITIONS IN THE HEALTH INFORMATION TECHNOLOGY DIGITIZATION FOR UNIVERSAL HEALTHCARE PROJECT

The Ministry of Health (MoH) is the Government body whose key mandate is to build a progressive, responsive and sustainable healthcare system for accelerated attainment of the highest standard of health to all Kenyans as enshrined in the Constitution of Kenya 2010.

The Ministry is undertaking an elaborate process to digitize its health ecosystem; a key enabler towards realization of Universal Health Coverage; through the Digital Health Agency (DHA), a body established under Part II of the Digital Health Act of 2023; with the mandate to develop, operationalize and maintain a secure, compressive and integrated health system through management of the core digital health systems and infrastructure.

The State Department for Medical Services has entered into an agreement with Safaricom Consortium for Provision of Healthcare Information Technology Digitalization for Universal Healthcare Project and has set up a Project management Office to oversee implementation of the project.

The project seeks to recruit qualified and competent persons to fill vacant positions in the Project Management Office on a two-year contract (renewable) as shown below;
